

Warren A. Witt
Hydro Operations Manager
MOAmerenUE

Warren A. Witt is the Hydro Operations Manager for AmerenUE. In this position, he manages the operation and maintenance of AmerenUE's three hydro power plants (Keokuk Plant in Keokuk Iowa, Osage Plant at Lake Ozark Mo, and Taum Sauk Plant near Lesterville Mo).

Witt holds a Bachelor of Science Degree in Mechanical Engineering from the University of Illinois at Champaign-Urbana and a Masters in Engineering Management from the University of Missouri - Rolla.

Warren joined AmerenUE in 1983 at the Callaway Nuclear Plant. In October, 2004 he transferred to the Osage Plant as plant manager. He was promoted to the Hydro Operations Manager for all three hydro plants in November of 2005.

Warren is on the Board of Directors of the Lake Ozarks Watershed Alliance and participates on the Citizens for the Preservation of the Lake of the Ozarks committee.
